BY PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

Westminster Hall, one of the most ancient portions of the Houses of Parliament, is the only remnant left of the Palace of the Anglo-Saxon Kings. It was enlarged in 1398 by Richard II., and is remarkable as being one of the largest halls in the world with a wooden ceiling not supported by pillars (the ceiling was repaired in 1820 with wood from old men-of-war). Many interesting historical events have taken place under this roof.
